General Rules

1. Carriers are required to carefully review the Rate Confirmation and the accompanying addendum. Acceptance of the load signifies full agreement with all terms specified in the Rate Confirmation and the provisions outlined in this addendum.
2. Loads that are tendered with NEED or REQD are contingent upon a confirmed appointment. The Carrier must contact Capital Logistics Group to confirm the appointment prior to dispatch. Capital Logistics Group will not be liable for Detention or Truck Ordered Not Used (TONU) charges for instances where appointments are not confirmed or for drivers attempting to pick up without a confirmed appointment.
3. The driver must verify the Pickup Number on the Bill of Lading (BOL) prior to signing and departing from the shipper. Capital Logistics Group disclaims any responsibility for errors arising from the driver signing for an incorrect load.
4. Drivers are required to send text copies of their Bill of Lading (BOL) to **904-385-2645** prior to leaving the delivery location. BOLs submitted more than 24 hours after delivery may incur a late paperwork fee of \$50.
5. If there is a discrepancy between the weight and the Rate Confirmation, the Carrier must contact us for verification before departing from the shipper. Failure to do so may result in a reduction of the line haul.
6. The Carrier acknowledges that upon departure from the shipper, the cargo has been loaded successfully and securely in accordance with the driver's established safety standards, facilitating a smooth transportation process. Any concerns regarding the loading of the product must be promptly addressed and resolved prior to leaving the shipper's premises. If the driver is unable to access the trailer for viewing after the loading process, they should contact us before departing from the shipper.
